Floki Bridgesii

Bridgesii Import from Andrea Rossi in Spain

DBA floki

F

Fool's Breath

F

Frankie

A notchy trichocereus species of unknown origin from Australia that Rodni Chisar sourced from his grandfather

F

Fatima

F

Fruit Salad

F

FR991

Scopulicola collected by Friedrich Ritter.

G

G

Gaig

Trichocereus Scopulicola

G

Guru

Trichocereus Pachanoi

Origin: New Zealand from Ross Gurau

G

Grandfather

Trichocereus Peruvian

G

Goliath

Trichocereus Scopulicola

G

Greg

Cakti Spinez - "Ultra rare notchy variegated clone with a lime green/yellow hue which gets more apparent with direct sunlight. Gets kinda twisty as well. Huarazensis x Scopulicola cross. Imported from AU. Last pic not mine used as reference."
